IRISH ACTIVISTS TO BREAK THE SIEGE ON GAZA!

URGENT APPEAL: The Free Gaza Movement in Ireland **DESPERATELY** needs to raise €6000 in the next two weeks (before March 13th). The money will go to cover the cost of the fuel for the 'Spirit of Humanity' boat, which will bring much needed medical and humanitarian supplies into Gaza. Twenty Irish volunteers will also be on board to bear witness to the Israeli destruction in Gaza. **PLEASE** consider donating to this important cause - it is both humanitarian and political - as they will be attempting to break the siege for the first time since the end of major Israeli military operations in Gaza.

Even if you can't come to the quiz, you can donate directly to our bank account. No amount is too small! Bank details on the right.
