Candlelit Vigil US Embassy 12 Oct - 5.30pm

We call on all supporters of the Miami Five to join us in a candle-lit vigil outside the American Embassy in Ballsbridge, Dublin at 5.30 to 7.30pm on 12th October 2009.

In June 2008, the Eleventh Circuit Court of Appeals in Atlanta ruled that the sentences given to Ramon, Antonio and Fernando were imposed incorrectly and agreed to return them to the original biased Miami court for reconsideration of their sentences before the same vindictive judge.

This vigil is designed to bring attention to this hearing and let that court know that the eyes of the world are on their deliberations.

Join us at the US Embassy - help win freedom for the Five.
